

Door Bell Button Panel Allows Easy Upgrade to an E-40 Door Phone

The Viking **DB40** Door Bell Button Panels permit the user to install a simple door bell button today and allow for an easy upgrade to a Viking **E-40** Door Phone. By replacing the traditional door bell button with a single gang box and a Viking Button Panel, the front entrance of any home can be set up to handle the requirements of two way audio later.

The Viking Button Panel is used as a temporary cover for the box that also provides the door bell button. In this way, a job that does not include a door phone has the promise of more revenue in the future. A promotional card is included that informs the customer about this special panel and directs them to your contact information.

Model DB40-WH

Model DB40-BN

The panels are made of durable plastic and are offered in off-white or dark brown. A weather resistant foam gasket is included for watertight sealing.

Features

- Fits any standard single gang box
- Available in off-white (**DB40-WH**) and dark brown (**DB40-BN**)
- Panels are made from durable plastic

Information: 715-386-8861

Installation

Follow the steps below to mount the **DB40** door bell panel to a standard single gang box.

| | |
|--------|--|
| Step 1 | Feed the door bell wires from the residence through the foam gasket. |
| Step 2 | Connect the wires to the screw terminals on the back of the door bell button. |
| Step 3 | Line up the door bell panel and foam gasket and center over the single gang rough-in box (not included). |
| Step 4 | Using the included screws, fasten the panel to the rough-in box. |
| Step 5 | Optional: Before tightening the screws, slip the included promotional card between the cover plate and gasket on the side of the panel. Tighten the screws, and be sure to leave your contact information near the electrical service entrance as outlined on the promotional card, see diagram below. |

Congratulations!
your house has been
pre-wired for a

VIKING
E-40
door answering system.

Answer the door from any
phone in your home - even
cordless phones!

We've left more
information and our contact
phone numbers next to
your electrical service.

Remember, the wiring is
already done!

Compact Single Gang Entry Phones

Model E-40-SS

Model E-40-BN

Model E-40-WH

Model E-40-BK

The **E-40** Series of entry phones are compact, weather and vandal resistant, telephone line powered speaker phones designed to provide two-way handsfree audio communication. The **E-40's** compact size allows it to be mounted in a standard single gang electrical box.

The **E-40** is available in four different attractive finishes to match your door hardware, light fixtures, etc. Replacement **E-40** faceplates (**PNL40**) can be purchased separately and are available in all four standard finishes.

The **E-40's** blue LED continually provides light for locating the push button in dark locations, dims to indicate off hook and flashes during incoming calls. The **E-40** entry phones can share a single phone line with house or small business telephones when used with a Viking model **C-200**, **C-250**, **C-500** or **C-2000B** Entry Phone controller.

The **E-40** entry phones can also be connected to an unused analog station port (programmed for ring down) on a phone

system or connected directly to a telephone line when used with a Viking model **K-1900-5** or **K-1900-30** auto dialer. The **E-40** features microphone and speaker volume controls, selectable auto answer for monitoring and intelligent call progress detection for automatic hang-up when the call is completed.

For outdoor installations where the unit is exposed to precipitation or condensation, the **E-40** Series is available with Enhanced Weather Protection (EWP). For more info on EWP, visit: www.vikingelectronics.com/ewp

Warranty

IF YOU HAVE A PROBLEM WITH A VIKING PRODUCT, CONTACT VIKING TECHNICAL SUPPORT AT: 715-386-8666

Our Technical Support Department is available for assistance Monday to Friday 8:00am - 5:00pm central time. Before you call, please:

1. Know the model number, the serial number, and what software version you have (see serial label).
2. Have the Product Manual in front of you.
3. It is best if you are on site.

RETURNING PRODUCT FOR REPAIR

The following procedure is for equipment that needs repair:

1. Customer must contact Viking's Technical Support Department at 715-386-8666 to obtain a Return Authorization (RA) number. The customer MUST have a complete description of the problem, with all pertinent information regarding the defect, such as options set, conditions, symptoms, methods to duplicate problem, frequency of failure, etc.
2. Packing: Return equipment in original box or in proper packing so that damage will not occur while in transit. The original product boxes are not designed for shipping - an overpack box is required to prevent damage in transit. Static sensitive equipment such as a circuit board should be in an anti-static bag, sandwiched between foam and individually boxed. All equipment should be wrapped to avoid packing material lodging in or sticking to the equipment. Include ALL parts of the equipment. C.O.D. or freight collect shipments cannot be accepted. Ship cartons prepaid to:

**VIKING ELECTRONICS
1531 INDUSTRIAL STREET
HUDSON, WI 54016**

3. Return shipping address: Be sure to include your return shipping address inside the box. We cannot ship to a PO Box.
4. RA number on carton: In large printing, write the RA number on the outside of each carton being returned.

RETURNING PRODUCT FOR EXCHANGE

The following procedure is for equipment that has failed out-of-box (**within 10 days of purchase**):

1. Customer must contact Viking's Technical Support at 715-386-8666 to determine possible causes for the problem. The customer MUST be able to step through recommended tests for diagnosis.
2. If the Technical Support Product Specialist determines that the equipment is defective based on the customer's input and troubleshooting, a Return Authorization (RA) number will be issued. This number is valid for fourteen (14) calendar days from the date of issue.
3. After obtaining the RA number, return the approved equipment to your distributor. Please reference the RA number on the paperwork being shipped back with the unit(s), and also the outside of the shipping box. The original product boxes are not designed for shipping - an overpack box is required to prevent damage in transit. Once your distributor receives the package, they will replace the product over the counter at no charge. The distributor will then return the product to Viking using the same RA number.
4. **The distributor will NOT exchange this product without first obtaining the RA number from you. If you haven't followed the steps listed in 1, 2 and 3, be aware that you will have to pay a restocking charge.**

TWO YEAR LIMITED WARRANTY

Viking warrants its products to be free from defects in the workmanship or materials, under normal use and service, for a period of two years from the date of purchase from any authorized Viking distributor. If at any time during the warranty period, the product is deemed defective or malfunctions, return the product to Viking Electronics, Inc., 1531 Industrial Street, Hudson, WI., 54016. Customer must contact Viking's Technical Support Department at 715-386-8666 to obtain a Return Authorization (RA) number.

This warranty does not cover any damage to the product due to lightning, over voltage, under voltage, accident, misuse, abuse, negligence or any damage caused by use of the product by the purchaser or others. This warranty does not cover non-EWP products that have been exposed to wet or corrosive environments. This warranty does not cover stainless steel surfaces that have not been properly maintained.

NO OTHER WARRANTIES. VIKING MAKES NO WARRANTIES RELATING TO ITS PRODUCTS OTHER THAN AS DESCRIBED ABOVE AND DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTIES OR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

EXCLUSION OF CONSEQUENTIAL DAMAGES. VIKING SHALL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE TO PURCHASER, OR ANY OTHER PARTY, FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATED TO THE SALE OR USE OF THE PRODUCT SOLD HEREUNDER.

EXCLUSIVE REMEDY AND LIMITATION OF LIABILITY. WHETHER IN AN ACTION BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR ANY OTHER LEGAL THEORY, ANY LIABILITY OF VIKING SHALL BE LIMITED TO REPAIR OR REPLACEMENT OF THE PRODUCT, OR AT VIKING'S OPTION, REFUND OF THE PURCHASE PRICE AS THE EXCLUSIVE REMEDY AND ANY LIABILITY OF VIKING SHALL BE SO LIMITED.

IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT EACH AND EVERY PROVISION OF THIS AGREEMENT WHICH PROVIDES FOR DISCLAIMER OF WARRANTIES, EXCLUSION OF CONSEQUENTIAL DAMAGES, AND EXCLUSIVE REMEDY AND LIMITATION OF LIABILITY, ARE SEVERABLE FROM ANY OTHER PROVISION AND EACH PROVISION IS A SEPARABLE AND INDEPENDENT ELEMENT OF RISK ALLOCATION AND IS INTENDED TO BE ENFORCED AS SUCH.
