

Trade Agreements Act (TAA)

The Trade Agreements Act (TAA) is a standard in the United States for the purchase of goods to be used by the federal government. Compliance with TAA requires products to be produced or undergo substantial transformation inside the United States, or in a designated country recognized for supporting fair and open international trade.

Viking Electronics, Inc. products are manufactured in Hudson, WI. All Viking's products meet TAA requirements and are approved to be acquired by the United States government, excluding Viking model numbers ERAM-4M, LRR-4, PRX-1, PRX-2, PRX-3, PRX-4, and PRX-5.
