

X-SERIES IS HERE!

IP INTERCOMS *with* HD VIDEO

The **X-SERIES** of IP Video Intercoms are designed to provide HD video and reliable handsfree voice communication for SIP VoIP phone systems and service providers. The built-in IP video camera has H.264 video compression, low light sensitivity, a wide viewing angle of 126 degrees, and can output dual video streams of up to 1080p resolution.

The **X-SERIES** intercoms can dial programmable numbers and be programmed remotely via a built-in Web UI. On-board 2 Amp relay contacts are provided for activating door strikes or gate controllers.

LEARN MORE >>>

EWP

For outdoor installations, models with **Enhanced Weather Protection (EWP)** are available. EWP is perfect for applications where the unit is exposed to precipitation or condensation. EWP is designed to meet IP66 standards and may feature foam rubber gaskets, sealed connections, gel-filled butt connectors, as well as potted circuit boards.

For more info on EWP, scan here:

X-35-SS or X-35-SS-EWP
Brushed stainless steel finish. Flush mount or use an optional surface mount box, sold separately.

X-35-BN or X-35-BN-EWP
Oil rubbed bronze finish. Flush mount or use an optional surface mount box, sold separately.

X-35-BK or X-35-BK-EWP
Textured black finish. Flush mount or use an optional surface mount box, sold separately.

X-205-SS or X-205-SS-EWP
Brushed stainless steel finish. Surface mount.

X-205-BN or X-205-SBN-EWP
Oil rubbed bronze finish. Surface mount.

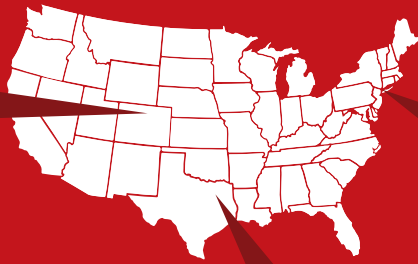

X-205-BK or X-205-BK-EWP
Textured black finish. Surface mount.

X-1605 or X-1605-EWP
Emergency phone with HD video. Surface mount.
