

2025

THE YEAR IN REVIEW

TOUGH PRODUCTS & TRUSTED SOLUTIONS

As 2025 comes to a close, Viking Electronics reflects on another year of **reliability** and **American-made** quality.

From **innovative** new product launches to continued support for our customers nationwide, Viking Electronics stayed true to what we do best: making **dependable** security and communication products right here in the USA.

As we wrap up the year, we're **proud** to celebrate our legacy of **strength, service, and quality** - and look forward to what's ahead in 2026!

FORGED IN THE USA. BUILT FOR WHAT MATTERS.

2025 NEW PRODUCT HIGHLIGHTS

ADA Compliant Emergency Phones

Universal emergency phone retrofit kits for replacing existing "behind the elevator panel" emergency phones.

Installation is easy - simply cut the existing wires and attach to the appropriate wire colors from the emergency phone kit using the included butt connectors.

E-1600-54A (analog)
E-1600-54-IP (VoIP)

E-1600A-RTM-EWP (analog)
E-1600-RTMIPEWP (VoIP)
Ramtel 733M replacement

E-1600A-RT-EWP (analog)
E-1600-RT-IPEWP (VoIP)
Ramtel 733 replacement

Direct emergency phone replacements for use with RAMTEL PLC columns, boxes, pedestals, and wall mount enclosures. These emergency phones are equipped with Enhanced Weather Protection (EWP) for outdoor installations where the unit is exposed to precipitation or condensation.

E-1600-912A (analog) or **E-1600-912-IP** (VoIP)
mounted in a **VE-9x12R-0P** enclosure (sold separately)

These heavy-duty emergency phones are designed to fit seamlessly into any of Viking's **VE-9x12** outdoor enclosures (sold separately).

Both analog and VoIP models are available with optional Enhanced Weather Protection (EWP) for outdoor installations where the unit is exposed to precipitation or condensation.

TRIVIA QUESTION

What is the largest freshwater lake in the USA?

Everyone who submits the correct answer by 12/31/2025 will be entered into a prize drawing.

SEP-OCT TRIVIA: What US state produces the most pumpkins each year?
ANSWER: Illinois

Congratulations to **RICHARD BRYANT** from **FOX VALLEY FIRE & SAFETY!**

Mass Notification Announcer

DNA-510A

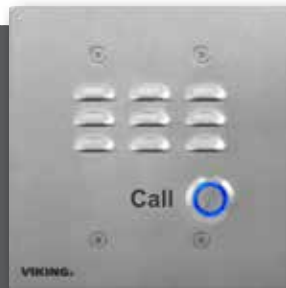

Add emergency mass notification messages and alert tones to your existing paging system.

The **DNA-510A** mass notification announcer is capable of providing up to 5.25 minutes of digitally recorded voice

emergency instructions and alert tones over your existing paging system from either touch tone commands or trigger inputs.

IP Intercoms with Secure SIP and Web UI

This IP intercom provides reliable and secure voice communication for SIP VoIP phone systems. SIP over TLS and full SIPS provide a higher level of security and compatibility with SIP providers. The built-in Web User Interface allows for programming and configuration from any operating system with a web browser.

E-32T-SS-IP (VoIP)

10 REASONS WHY YOU NEED A VIKING

1. **MADE IN THE USA** – Proudly built in Hudson, Wisconsin.
2. **500+ PRODUCTS** – If it rings, pages, or protects, we make it.
3. **SINCE 1969** – Over 55 years of innovation and durability.
4. **REAL SUPPORT** – Call and talk to an actual human.
5. **TOUGH WEATHER PROTECTION** – EWP models thrive in any climate.
6. **CUSTOM BUILDS** – Unique needs? We've got you covered.

7. **SMART CONTROL** – Manage IP devices with Viking Device Manager.
8. **TRADE SHOW REGULARS** – Connect with us at all the big shows.
9. **TWO-YEAR WARRANTY** – Confidence built right in.
10. **BUILT TO LAST** – Because reliability never goes out of style.

A SNEAK PEEK AT 2026...

- ▶ **2026 CATALOG** – Explore new products and innovative solutions in the upcoming Viking catalog!
- ▶ **Viking Device Manager (VDM)** – A powerful new free software application that streamlines the discovery, configuration, and management of multiple Viking IP devices.
- ▶ **MPS-IP** – A next-generation network paging solution that bridges SIP telephony systems with IP-based multicast endpoints – enabling zoned multicast paging, scheduled announcements, and emergency broadcast capabilities, all managed through an intuitive web interface or Viking Device Manager.
